

# Women's Singing Circle

*For women who love to sing and  
would love to sing with other women!*

Karleena Ravenwood, Natural Voice Practitioner and Founder/Director of Tucson Women's Chorus, will teach and lead chants, rounds and songs from around the world as well as from near to home. No sight-reading or experience necessary. Just a love of singing. Lyrics to songs along with written music will be supplied at the gatherings. We'll explore singing in harmony, singing in rounds, singing in unison, toning, chanting, etc. An increasing number of reports continue to be gathered about the health benefits of singing.

Come find out for yourself!

We will gather from 3:00 to 4:30pm on the 3rd Tuesday of the month (except for July) at Unity of the Valley starting March 15th .

A suggested love donation of \$6
